

Street Fog Sealing

The streets in your neighborhood are scheduled to receive a fog seal **November 27-29**.

“No Parking” signs will be installed prior to work on your street. Before the next morning, please park all vehicles off of the street until the fog seal has been completed and the “No Parking” signs are removed. During this time, parking may occur on adjacent streets.

Fog seals are a necessary maintenance procedure that lengthens the life of the street and saves the Community from having to do other more expensive maintenance activities. We appreciate your patience and cooperation. Please contact us if you have any questions or concerns.
