“Focusing on Resources and Advocacy”

The Special Needs Resources Program is holding a special needs fair. It will be a relaxed family oriented atmosphere with great information for families with special needs. Organizations, benefit providers and local programs will be present with information and we will also have presenters on special needs topics. Please contact us to RSVP by February 15, 2013 if at all possible.

Raffles Throughout event!! Door Prizes!!

Presentations Include:

- **20 Healthy Tips**– Health Plan Benefits for Special Health Care Needs.
- **Understanding Social Security**– Explanation of account, benefits and Medicare
- **Disability Benefits 101**– Employment and Financial Stability Tool
- **The Neuropathic limb; Hands on Foot** – causes and signs of degeneration, patients at risk for foot ulceration and treatment protocols.
- **SRVR Program Presentation:** Salt River Vocational Rehabilitation Program
