NOTICE OF PUBLIC HEARING

The Land Management Board has scheduled a Public Hearing. You may or may not be a landowner in this area; however we are extending this special invitation to all Community Members and Landowners with ownership interest within a ½ mile radius to attend this Public Hearing regarding the following:

Saddleback Communications Request for Right of Way (ROW)

Saddleback Communications, a tribally-owned enterprise, has requested a utility easement (R/W) on the northeast corner of Country Club Drive and Indian School Road to correct a trespass situation involving one of its controlled environment vaults that was constructed by others slightly outside an existing tele/data easement. The proposed easement is approximately 902 square feet and encompasses approximately 0.0207 acres. The R/W is needed by Saddleback Communications for continued operation, maintenance, and repair of the telecommunications vault. The utility easement is needed so that Saddleback Communications can continue to provide reliable communication services to the Salt River Pima-Maricopa Indian Community.

This notice is made under Article I., Section 17-6 (Land Management Board) and Section 17-10 (Special Procedure for Grants of Rights of Ways) of the SRPMIC Code of Ordinance.
