

“IN CIRCLES”

Written & Produced by Claude Jackson and Robert Jackson

The movie begins in Phoenix, Ariz., a few miles away from the reservation on the map, but in terms of community, it's much further. Isaac Paul Molina moves back to "the Circles," a neighborhood in Gila River, and begins to learn that things are different than when he left them. With the guidance of his mother Cheryl (Jackson Harris), his uncle Rudy (Douglas Miles) and a family friend Henry (Myron Schurz), Isaac follows a path of discovery to express himself through painting and art.

In the process, Isaac must cope with the downward spiral of his best friend Scooby (Mikhail Sundust), the threats of a local drug dealer named Cricket (Deran Martinez) and a heartbreaking romance with Sam (Danielle Peters, Isaac's old flame). This all comes to a stark conclusion with each character paying a high price for the consequences of living "In Circles".
