DOT's/Public Work's Parking Lot & Work Area and Earl Drive

RESTRICTED PARKING LOT ACCESS DURING COOLING TOWER REMOVAL

By
Au' Authum Ki – Kitchell, LLC

Date: 12/15/15 to 12/16/15

Duration: 25 hours – 11 AM to Noon the next day

Reason: The Mechanical Sub-Contractor will be bringing in a Crane and Semi's w/ flatbed trailers to remove the cooling towers from the Central Plant. The Crane and Semi's will be accessing the staging area for removal by coming through the DOT's/Public Work's parking areas (see attached map). Please note that the semi's will require adequate room for turning and positioning of the flatbed trailers. Please minimize traveling to DOT's & Public Work's Parking areas and minimize traveling the indicated haul route, is greatly appreciated. Local traffic will be provided access in and out of parking lots & driveways during haul off; you may encounter short delays to move around equipment. Please watch for flagmen, work crews, and barricades to direct you into and out of the construction zones. Buses and mail delivery will continue to have access. Closure may shift as work is completed. Please use caution in this area during the date and time indicated.
