OSBORN ROAD
(At Employee Parking Lot and Courts Project Lot Front)

**LANES & PARKING LOT ENTRANCE
RESTRICTIONS DURING CONSTRUCTION**

By Au' Authum Ki – Kitchell, LLC

Date: Monday, 03/14/16 until completion

Duration: 6:30 AM – 5:00 PM

Reason: The Chillerline Sub-Contractor will be constructing across Osborn Road and through the west employee parking lot entrance on Council Chambers Drive (See attached map) beginning 6:30 am every day until completed. This improvement is part of the SRPMIC Courts Project. Local traffic, east & west bound, on Osborn Road will have lane restrictions and will have no left turns north and south of the intersection during periodic closures of Council Camber Drive. Use detour routes to the Council Chambers Parking Lot and use the east entrance to the employee parking lot for parking; you may encounter short delays to move around equipment in the Osborn Road roadway. Please watch for flagmen, work crews, and barricades to direct you around the intersection work. First responders, buses and mail delivery will continue to have access to Osborn Road. Please use caution when driving Osborn Road starting Monday, March 14th.
