PRESENTING THE WORK OF AUGUST WOOD

Under the Southwest Folkart Alliance a collaboration was formed with Mr. Wood and Mr. Ron Carlos for working on the art of paddle and anvil pottery.

“Over the past year Mr. Wood and myself have been working closely to perfect his pottery making skills. One main focus we worked on was red slip and polishing. I am proud to say Mr. Wood did very good at slipping and polishing and he continues to excel with each new creation in clay...”

R. Carlos

Join us in a meet-n-greet with the artist. Light refreshments and will be offered. Museum exhibits and gallery will be open for that evening's Community Day Event, 5-7pm
