

Salt River Community Children's Foundation Community Child and Youth Programs and Services Grant Application

Introduction

The Salt River Community Children's Foundation (SRCCF) was created in 2003 by the Salt River Pima-Indian Community (SRP-MIC) Council. Over the last several years, the SRCCF has been raising funds to support, improve and expand services for the children and youth of the SRP-MIC.

The SRCCF invites organizations (grassroots and/or formal) and other service providers to review this application and submit an application to bring new opportunities to the Community's children and youth, building the next generation of leaders.

History and Background Information

With nearly half of the population (38%) of the SRP-MIC under the age of 18, the needs of children and youth are clearly a priority for the Community. Many Community youth grow up in loving and secure families, but others do not.

Believing that all children and youth deserve to have the support of their Community, on February 19, 2003, the Community Council created the Salt River Community Children's Foundation. The non-profit, charitable division of the SRP-MIC makes contributions to tax-exempt organizations that provide assistance or preventative programs and services for Community children and youth. The Foundation supports organizations that qualify under Section 7871 (a) (1) (A, B, & C), or under Section 501 (C) (3) of the Internal Revenue Code.

The Children's Foundation receives private and public contributions and depends upon the donations received from events, such as an annual golf tournament at Talking Stick Golf Club, tribal employee payroll deductions, and the generous support of private individuals, businesses and corporations.

Who is eligible to apply for these funds?

Community organization's having grant projects which are designed to enhance programs, services, or activities for SRP-MIC youth and children. Successful grant applications will meet the following criteria:

1. Projects must launch, expand or support programs, services & activities for children and youth who are primarily enrolled Community Members of the SRP-MIC.
2. Projects must engage the children & youth in a service or program that extends their interests in arts & culture; in health & related activities (including sports); in educational enrichment opportunities; and in serving the needs of children & youth with special needs.
3. Projects must take place between June 1st, 2015 and May 31st, 2016.
