**SALT RIVER PIMA-MARICOPA INDIAN COMMUNITY, Ariz. -(July 26, 2012)** – Sure, Talking Stick Resort is the home of great gaming and dining, but in recent months it has become the home of great funk! This position is solidified when the property welcomes Con Funk Shun to its Showroom on Aug. 3. With fun dance moves, crisp vocal harmonies and a contagious energy, Con Funk Shun is sure to bring the audience to its feet. Many of the group's hit songs like "Dance with Me," "Love's Train" and "Fun," are still a fixture on radio airwaves.

Con Funk Shun is a six-part R&B and Funk band, often comparable to early funk pioneers like James Brown and Sly & The Family Stone. To date the band has released a total of 13 albums, four of which charted gold and one platinum. While Con Funk Shun found fame in the late 1970's, many of their classic songs can be found on the playlists of younger generations due to heavy sampling of their music in many Hip Hop and R&B songs today. Fans young and old will not want to miss the timeless band when they come to Talking Stick Resort to perform their impressive line-up of smooth ballads and dance-worthy funk hits.

General admission tickets to Con Funk Shun are on sale now. You must be 21 years or older to attend. For more information on entertainment at Talking Stick Resort, visit [www.talkingstickresort.com](http://www.talkingstickresort.com) or call [\(480\) 850-7734](tel:4808507734).
