12th Annual SRP-MIC Earth Day Environmental Fair Exhibit Registration Form

The COD-Environmental Protection & Natural Resources Division invites you to participate in our Environmental Fair. Organizations are encouraged to set up environmentally focused booths to promote environmental stewardship and provide environmental educational activities for our guests.

We ask that you bring educational and hands on activities in order to make our event more interactive. All participants will receive t-shirts and lunch. Please arrive 15 min before to find parking and begin set up.

Please inform us of any equipment or audio visual needs you may have (i.e. power sources, set up for PowerPoint, etc.).
