13th Annual SRP-MIC Earth Day Environmental Fair Exhibit Registration Form

The CDD-Environmental Protection & Natural Resources Division invites you to participate in our Environmental Fair. Organizations are encouraged to set up environmentally-focused booths to promote environmental stewardship and provide environmental educational activities for our guests.

We ask that you bring activities/displays that are educational and hands-on in order to make our event more interactive. All participants will receive t-shirts and lunch. Please arrive at least 15 minutes prior to start time for parking and set-up.

Please inform us of any equipment or audio visual needs you may have (i.e. power sources, set up for PowerPoint, etc.).
