

Batter Up! Recycle that CUP!

Salt River Fields at Talking Stick and the Salt River Pima – Maricopa Indian Community Recycles

RECYCLING will help keep Salt River Fields clean and green, please pitch in and here's how:

To make recycling convenient for baseball fans blue recycling containers are located throughout the ballpark including concourses, concession areas, and restrooms as well as the parking lot areas. All recyclable materials can be co-mingled meaning they can all be placed in the same container and do not require sorting.

Remember to look for the recycling symbol  on blue containers to ensure that recyclables are not going into trash cans and ultimately the Community's waste stream.

Salt River Fields recycles the following items:

- **Plastics (#1 – 7)**
 - Plastic cups
 - water and soda bottles
- **Glass**
- **Paper**
 - Programs
 - Newspaper
 - Office paper
- **Cardboard**

- Aluminum & metal

- Soda cans

Thank you for participating in the Salt River Fields recycling program and assisting with the Community's continued commitment to foster environmental stewardship and waste reduction efforts.

For more information on the Salt River Pima Maricopa Indian Community's Recycling Program please contact us by phone at 480 362-7500, by email at EPNR@srpmic-nsn.gov or visit our website <http://www.SaltRiverEnvironmental.org>
