

**SALT RIVER PIMA-MARICOPA INDIAN COMMUNITY
COURT OF APPEALS**

10,005 E. OSBORN RD. SCOTTSDALE, AZ 85256 (480)362.6315

ERIN MANUEL

Appellant,

Case No.: **APC-17-0006**

-V-

SANDRA COOPER

Appellee,

**ORDER DISMISSING
APPEAL AS MOOT**

On September 27, 2017, we issued a Procedural Order Regarding Appellate Jurisdiction in this case in which we stated that "[i]f Appellant wants to establish that this appeal is not moot she needs to show that reversing the Community Court's decision, as she requests, would have some significant practical effect on the parties to this case, on the children of the domestic partnership between the deceased and Appellant, or on the Community." We held in that Order that, should Appellant wish to continue this appeal, she must (1) provide the Court with available information regarding the location of the decedent's body, and (2) explain how the reversal of the Community Court's decision will have practical significance. Our Order gave Appellant until October 13, 2017, to file a supplemental brief for those purposes.

Appellant has not filed a supplemental brief or any other response to our September 27 Order, nor has Appellant requested an extension of time in which to file such a brief or response. **IT IS ORDERED** that the appeal is therefore **DISMISSED** as moot.

ISSUED this 1st day of November, 2017.
