## VETERANS REPRESENTATIVE TEAM THOUGHT OF THE MONTH

From Amanda White

September is Suicide Prevention Month. Here, at SRP-MIC Veterans Affairs we strive to listen, learn and to love what we do! We are honored to support all those suffering the loss of their loved ones. Especially during these trying times, it's very crucial we pay attention to ourselves and our loved ones. Throughout this month we will be sharing information, resources and virtual events on our various media platforms. I encourage you to listen, learn and love one another throughout the month, and every month! I'm excited to showcase what we have to offer our Veterans and their families!

SEPTEMBER 2020 ISSUE

## **Gold Star Mother's Day** **- September 27th**

Gold Star Mother's Day is observed on the *Last Sunday of September* each year. A day for people to recognize and honor those who have lost a son or daughter while serving the United States Armed Forces. Each year on Gold Star Mother's Day the US president calls on all Americans to display the nations flag and express their support in reverence towards honored Mothers and families.

**"What does it mean to be a warrior in the traditional Native American cultural sense? It means doing what's right, even when it's difficult and requires sacrifice." - Native American Vietnam War Veteran**

## **POW/MIA** **RECOGNITION DAY -** **September 18th**

POW/MIA Recognition Day honors those service members who were prisoners of war (POW) as well as those who are still missing in action (MIA). This day is one of the six days that the POW/MIA flag can be flown and it is typically flown immediately below or adjacent to the national flag as second in the order of precedence.
