VOTE MASK MAKING

Workshop

I recently had a great opportunity to participate in a virtual vote mask making workshop with other families along with Mayor Alexis Herмосillo. It was a neat experience, I enjoyed speaking to the Mayor about her career and how she helps the people of El Mirage. We had a conversation about the importance of voting and listened to the other participant's perspective on the upcoming presidential election. The online get together was refreshing, fun and I even got a new mask out of it.

Our newest youth council member, Savannah Aguila, resides in El Paso Texas! Since we started meeting virtually for our youth council meetings it has opened up opportunities for SRPMIC enrolled youth in other states to participate. Savannah is 15 yrs old and a freshman at Valle Verde Early College. Her interests include fencing, playing Dungeons & Dragons, discovering new teas, writing, researching niche topics and weird history. The silver lining of COVID, is having a new member who resides in another state! We look forward to working with her and one day meeting her in person!
