

# Our Behavioral Health Specialists are here to support you when you need it most.

## AmeriBen Behavioral Health Program

### Personalized Care for You and Your Family

Hospitalization or the urgent need for behavioral health/substance abuse services can suddenly change everything. Wouldn't it be helpful to have a healthcare professional to help guide and support you through this difficult time? We are here to help.

As part of your healthcare coverage, our Behavioral Health Specialists will provide you the support you need, while ensuring you receive high-quality, cost-effective care. We are here to assist you in navigating the complex healthcare system by coordinating care with providers, facilitating transitions of care, and providing patient advocacy, support, and education.

### A Resource for You

Our Behavioral Health Specialists are a collaborative link between you, the plan, your claims processor, and your healthcare provider. We are available to answer any questions that you have and provide education regarding your care. This program is included in the benefits offered by Salt River Pima - Maricopa Indian Community and is available at no additional cost to you!
