Case No.: CACS-15-0001

SALT RIVER PIMA-MARICOPA
INDIAN COMMUNITY COURT

Before Appellate Justices Judith Dworkin, Mary Guss, and Siera Russell.

Appellant, Geraldine Wilson, appeals from the Community Court's ruling on February 12, 2015 ordering the Appellant to reimburse the Respondent for overpayment of child support in the amount of \$8,730.00.

This Court finds that the Notice of Appeal was not timely filed. The trial court filed its ruling on the 12th of February. The Appellant had 14 calendar days from this date to file the notice of appeal along with a filing fee of \$50.00. The last date to file a valid notice of appeal was on the 26th of February. Article V, Rule 3 (a), Rule 4 (a) SR-RAP.

Based on the record, Appellant's notice of appeal and fee were filed on the 27th of February. This filing was past the 14 calendar days and "failure to timely file the notice of appeal shall result in a dismissal of the appeal." Article V, Rule 3 (b) SR-RAP.

THEREFORE, IT IS ORDERED that the Appellant's Notice of Appeal is **DISMISSED**.

SO ORDERED this 2nd day of APRIL 2015.
