Special Use Permit Application

The Salt River Pima-Maricopa Indian Community (SRPMIC) recognizes and appreciates the occasional staging of special events and other temporary activities within the Community. In order to maintain safe and orderly conditions for all, organizers of these Special Uses are required to obtain an approved Special Use Permit (SUP) from the SRPMIC.

Special Uses may include a variety of temporary activities such as:

- Special events (examples: outdoor entertainment and gatherings, sporting events, parties, revivals, auto shows)
- Temporary activities not otherwise allowed or approved within the zoning district (examples: farmer's market, craft fair, outdoor holiday sales, outdoor entertainment ride)
- Use or impact to streets as part of an event (examples: races, closure of roadway)
