

CONSTRUCTION NOTICE

Pima Road Improvements

This project aims to improve the Pima Road corridor to increase safety, mitigate flooding impacts, add traffic capacity, improve multimodal and pedestrian features, and add consistency to the overall corridor aesthetics. One of the goals of the project is to foster the economic benefit the Pima Road corridor provides to SRP-MIC. By improving Pima Road, this project will encourage economic development along the corridor and continue to meet the commercial growth expectations of SRP-MIC.

Projected Construction Schedule:
October 2024 – November 2026

Project Area:

Pima Road from McDowell Road to the Loop 101;
McKellips Road and 84th Street.

Project Scope:

Pima Road widening, storm drain pipe install,
enhancements to traffic signals, new street lighting,
roadway median landscaping

Contractor:

Haydon Companies
