FINANCIAL RELIEF FUND FOR ENROLLED SRPMIC MEMBERS MAILING ADDRESS INFORMATION

Questions about your address, call: 480-362-7729

Beginning Monday, March 23rd, a financial relief payment will be provided to enrolled SRPMIC members age 21 and older. All checks will be either direct deposited or mailed. There will be NO check pick-up available. If you have direct deposit for per capita your relief check will be deposited to this same account.

Due to the short timeline to get these checks out, the cutoff for updating your mailing address for this check has passed. Checks that come back undeliverable will be held in the Finance office. We will check our records for recent address updates and re-mail the checks to the new address. Pickup is not available. Checks will be held for no more than 90 days after the issuance date at which point they will be voided and not reissued.

If you want to ensure we have your correct address for when items come back undeliverable, or for the April Per Capita payment, as well as to ensure you receive other important notices from the Community, please call: **480-362-7729**

A representative will answer your call Mon-Fri, 8am-5pm. If all lines are being served, or if after hours, leave a message on the automated SRPMIC Vendor Portal voice mail. Please leave your name and telephone number and your call will be returned by the next business day. Due to the high volume of calls, please try back if you do not receive an immediate answer.

If you would like to do this electronically, please utilize the following links:
