The Salt River Fire Department will be hosting the 8th Annual Memorial Stair Climb to honor and remember the 343 firefighters, 60 police officers, and 10 EMS personnel that gave their lives 23 years ago, on 9/11/2001. Each participant pays tribute to an FDNY firefighter, police officer, or EMS by climbing the equivalent of the 110 stories of the World Trade Center. Climbers are issued a tag with the name and picture of one of the fallen to carry throughout the climb, symbolically completing their journey to the top of the World Trade Center Towers. The stair climb is not a timed race event and is open to participants of all levels.
